UX/UI DESIGNER | GRAPHIC DESIGNER

Creative UX/UI Designer with 3+ years of experience and a strong foundation in graphic design, passionate about crafting intuitive, user-centered digital experiences. Skilled in Figma, Photoshop, Illustrator, Adobe XD, and After Effects, with expertise in interface design, branding, and engaging visual storytelling. Experienced working with clients such as Touch Lebanon, MBC, NDU, and Champs.

EXPERIENCE

UX UI DESIGNER

Tedmob | Dbayeh, Lebanon

2023 – PRESENT

- Designed and optimized UI components for 30+ mobile and 100+ web applications to improve usability and engagement.
- Created 100+ social media and website portfolio designs and 300+ banners for TEDMOB, ensuring consistency with brand identity and modern UI trends.
- Developed interactive, animated websites with smooth user experiences and visually engaging elements.
- Collaborated with product managers and UX designers to translate business objectives into polished, user-friendly interfaces.
- Transformed abstract concepts into user personas, storyboards, and actionable design strategies.
- Implemented UI features in compliance with coding standards and technical design guidelines.
- Designed within frontend frameworks, leveraging templates and tools to accelerate development.
- Produced 500+ wireframes, mockups, and prototypes to define interface architecture and user flows.
